

Y LOWY

Godbody 1

Godbody it has many stores inside Godbody sky and	rocks talmudic drawers, the jaw: a red practices expulsion, crown and	ladder, seven green snakes opening grates toward shining boys
who have eyes cracked there is a want for misunderstood	been looking for and gaping like an aching in the salt completely.	a way in wet egg organ, misunderstood
there was a a game: it plunging and soon with our	hand it was known my hand, my wildly into the others pointing and pulling	and named “hand” hand deepest jars and us all hands and rushing
for textbooks a variety of A inside of and C inside of D and A	and mirrors and signified muck and A, A and B inside of of C and A and B and B and C and D	someone’s soft limb reorientation B and A and B and C and D inside and E inside of E and on it goes
matter flecks of to ultimately	very seriously it is to concentrate it is to break the positive and make the decision	VERY IMPORTANT VERY SERIOUS, a critical world into fig-sized pieces negative light for you.

Y LOWY grew up in Santa Cruz, California, and earned her Bachelor of Arts degree at The Evergreen State College in Olympia, Washington, in 2016. Y is currently traveling the United States and working on her first full-length book. You can find more of her work at gentlings.tumblr.com.
